For Deeper Learning—Dublin Delights:

A calm, open mind learns faster and deeper, so the OIas SAP training centre in Dublin invites you to dedicate your stay to "relaxed learning"

- OIas is right beside a stop for the Airport bus, as is our local hotel, the Stillorgan Park.
- Unwind each evening, in Dublin's cultural, literary, and artistic centre. (But don't stay out too late in the "singing pubs".)
- Dublin was voted "Europe's friendliest city 2 years in a row in an Expedia survey and is the second most economical in the Eurozone for a short break.

Whether you are involved in an implementation, or your organisation wants to gain more productivity from the SAP modules you already have, OIas can help.

"It's not just a warm Irish welcome—We take pride in the care we provide to SAP Course Participants and ensure they receive high quality training". Says Eric Plunkett, Director and SAP Training Specialist.

OIas has proven popular with companies from UK, Scandinavia, and other mainland European countries who need SAP's quality education products.

Please call +353 1 2790020 and ask for either Stephanie or Eric who will advise and recommend the best SAP training course and delivery option for you.
